Task: prepare a slide show in a group of up to 2 people. You are to create a restaurant and be sure you include the following information into your slide show.

1. Name of restaurant
2. Location of restaurant (specific city and state)
3. What type of restaurant it is – diner, drive-in, gourmet, deli, café, theme restaurant, other
4. Who are going to be your customers/target market
5. What will your restaurant look like – using Google SketchUp
   a. Outside view
   b. Inside view
      i. Include a floor plan of the inside of the restaurant – be specific as to where the kitchen, dining area, lobby, restrooms etc. are going to be.
6. Create a business card and letterhead using MS Publisher
   a. You will need to copy and paste these into your slideshow
7. Create a menu for your restaurant using MS Publisher
   a. Copy and paste it into PowerPoint
8. Excel spreadsheet detailing your start up costs
   a. You will be given $25,000 to start your company and you will need to detail how you have spent each dollar using MS Excel
      i. Start-up costs include things like building rent/lease, furniture, utilities, kitchen items, food, plates, utensils, etc.

Formatting: your slide show will need to include all of the following in order to receive full credit.
1. Title slide
2. Slide transitions
3. Appropriate clip art
4. Custom Animation
5. Use of different fonts – other than OLD ENGLISH
6. Bulleted lists

Timeline: you will have between today and the day of your final exam to complete this slideshow. You present on the day you are scheduled to take your final exam in this class. You must be present that day or you will receive a zero on the final. No early presentations will be granted unless prior approval comes from the administration.
