TRAVEL BROCHURE ASSIGNMENT
COMPUTER APPLICATIONS

Your task: Create a 3-panel brochure in MS Publisher informing me about a place you would like to travel to.

Be sure to include the following in the brochure:
- Where you are going
- How much it will cost (use travel websites to find flights, hotels and rental cars)
- Tourist attractions (what will you do while there) and what the cost will be
- Brief history of the city
- Appropriate pictures and borders
- Additional places that you can stay (hotels) and eat (restaurants)
- Remember to cite your sources

Be sure to be creative and make the brochure look as professional as possible.
